Green Gardens Oat Pale Ale	Canada - Newfoundland & Labrador	NEW	A hazy styled IPA made with generous quantities of rolled oats and pilsner malt. Citra and Mosaic hops bring bright citrus to the full, smooth body.	Ale
Wild Cove Pub Ale	Canada - Newfoundland & Labrador	NEW	A smooth, full bodied brew with a creamy head and tawny copper colour. The flavour is breadly with herbal, spicy notes. Brewed with pale and Munich malts and moderately hopped with Nugget and Tettnang.	Ale
Strout River Stout	Canada - Newfoundland & Labrador	NEW	A pitch black Stout. Sweet malts, oats, Summit hops and Cacao Nibs combine forces to make this beer full bodied, but surprisingly easy drinking.	Stout
YellowBelly Fighting Irish Red Ale	Canada - Newfoundland & Labrador		Our most complex beer, with its big and malty flavour it has a very long finish. Lightly carbonated and heavy in body. The roast barley contributes complex flavours like burnt toast, strawberry jam, coffee, chocolate, and leather. Complements strongly flavoured foods such as cheese, spicy dishes, or game meats. Try it with our sweet chili wings, braised short rib, lamb duo, or enjoy with our Chocolate Trio dessert.	Ale
YellowBelly Pale Ale	Canada - Newfoundland & Labrador		We call YellowBelly Pale Ale our session beer. Full-bodied malt base counter balanced by a significant bitterness provided by the hops. Medium length finish, with hints of grapefruit, pineapple, caramel and honey.	Ale
YellowBelly Wexford Wheat Ale	Canada - Newfoundland & Labrador		This is our lightest beer. The significant portion of wheat lends a green apple / sour plum to the middle of the palate. Highly carbonated, light and refreshing, short finish, leaves you wanting more.	Ale
YellowBelly St. John's Stout	Canada - Newfoundland & Labrador		This traditional Irish Stout is very dark, heavy and complex with an extremely long finish. In addition to the high rate of hopping in the kettle there is also bitterness from the roast barley. It has a dense, creamy head and is full of complex, burnt, "roasty" flavours. Notes of burnt toast, licorice and chocolate, but also cedar, berry, pear, walnut and citrus.	Stout
YellowBelly Seasonal	Canada - Newfoundland & Labrador		As always something new and exciting from YellowBelly but get your fill quick as it won't last long.
